Provider Profile

Information provided by the provider describing their agency:

Friends of New Milford, Inc. is a comprehensive, community based residential program offering support services enabling persons with developmental and psychiatric disabilities to live as independently as possible within the greater New Milford and surrounding areas. Friends of New Milford, Inc. was started in 1998 to provide residential and day program services for three adults residing in a CLA home in New Milford, Connecticut. These individuals had mental and developmental disabilities and Friends of New Milford, Inc. developed an excellent reputation for providing services to people with special needs. Our organization prides itself in offering customized programs in which an individual is encouraged to achieve their personal potential, participate in their community and increase their independence within a safe and supportive environment.

Friends of New Milford, Inc. has now grown to include multiple day programs in addition to those for the residents of the CLA home. We consider each of our consumers to be members of our Friends of New Milford Family, and as a result, continuously maintain a high standard of care and advocacy for each member. This is made possible by a core group of staff employed with the organization for several years maintaining a level of consistency for our consumers and also an experience level proven to give exemplary results. Our experienced staff also assists in training new staff members to achieve the high expectations of care, advocacy, and community involvement which is Friends of New Milford, Inc.
